

P&O Maritime is a diverse global company in the marine transport sector delivering innovative and sustainable solutions in partnership with our customers. With a strong focus on business growth and excellence, P&O's operations span Australasia, South America, Europe, Middle East and Africa.

About the Role

Based in Dubai at the Maritime Services Division (MSD) Corporate Office, the Senior General Counsel will be responsible for the management of legal issues relating to major transactions carried out worldwide by Maritime Services Division Business Units, in addition to the provision of advice and assistance to head office and MSD Companies management over a broad range of legal matters. Supervision of the provision of advice by other members of the legal team. Instruction of, liaising with, and supervision and management of external legal counsel.

Qualification, Competencies and Experience

- Law Degree from an accredited University.
- Qualification to practice law from a recognised legal regulatory body.
- 10+ years' experience (including 8+ years post qualification experience) in an internationally recognised law firm and/ or multinational company. Preferably 3+ years' experience working in the Middle East region.
- Exposure to maritime and ports industry (desirable)
- Specialist knowledge of cross-border corporate and commercial transactions, and extensive experience of managing transactions through to completion. Ideally, expertise in international infrastructure projects.

Key Attributes

- Advanced commercial awareness and understanding of business needs (including awareness and sensitivity to differing international legal and cultural business practices, and the flexibility to work within different cultural environments). Strategic thinking and planning skills.
- Excellent analytical, organisational and leadership skills.
- Ability to effectively negotiate legal issues and transaction documentation with counterparties.
- Strong communication and inter personal skills and team player , enabling effective communication with all levels within MSD, DP World, joint venture partners, board members, government and regulatory representatives and external legal counsel.

The employment benefits package is reflective of the market and location. A competitive salary package commensurate with the successful applicant's skills and experience will be offered.
